Honorable Jesse M. Furman  
United States District Judge  
Southern District of New York  
40 Foley Square  
New York, New York 10007

**Re: *United States v. David Vieser*, 22 Cr. 101 (JMF)**

Dear Judge Furman:

The Government writes, consistent with its letter of September 23 (*see* ECF Nos. 33, 35), to provide an update on the Government's receipt of a report from the National Center of Missing and Exploited Children ("NCMEC") identifying specific victims in this case so that any relevant victim statements can be submitted to the Court in advance of sentencing, as required by the Crime Victims Rights Act. *See* 18 U.S.C. § 3771. The Government has not yet received a report from NCMEC, but understands that NCMEC is expediting completion of the report and that it is likely to be available in the next two weeks. After the report is completed, the Government will work quickly to identify and submit any statements from identified victims.

The Government therefore requests an adjournment of the sentencing for approximately 30 days. The Government has conferred with defense counsel and understands that, while it is the defendant's preference to proceed with sentencing on October 4, 2022, the defendant and counsel can also be available for sentencing on November 2-4 or November 8-9.

Given the right of any crime victims  
to be heard in connection with  
sentencing, the application is  
GRANTED. Sentencing is  
adjourned to **November 3, 2022**, at  
2:15 p.m. The Clerk of Court is  
directed to terminate ECF No. 36.

SO ORDERED.
